

## What does the Annual Fund Support?

Unrestricted gifts to the Annual Fund give the administration the flexibility to respond to programming needs in three general areas:

### Students

- Financial aid for 25% of Beaver families, resulting in a student body that reflects the wide socio-economic range of the surrounding communities.
- Supports programs like guest speakers, special events, and technology resources.

### Faculty

- Faculty salaries in the top 5% of New England independent schools.
- "Innovation Grants" for curriculum development.

### Buildings & Grounds

- Continual campus upgrades. Recent projects include the renovation of the kitchen, admissions suite, and Bradley Hall.

# Announcing...the Parent Challenge

A group of fellow Beaver parents has generously pledged **\$15,000** in challenge funds to increase parent participation in the 2011 Annual Fund.

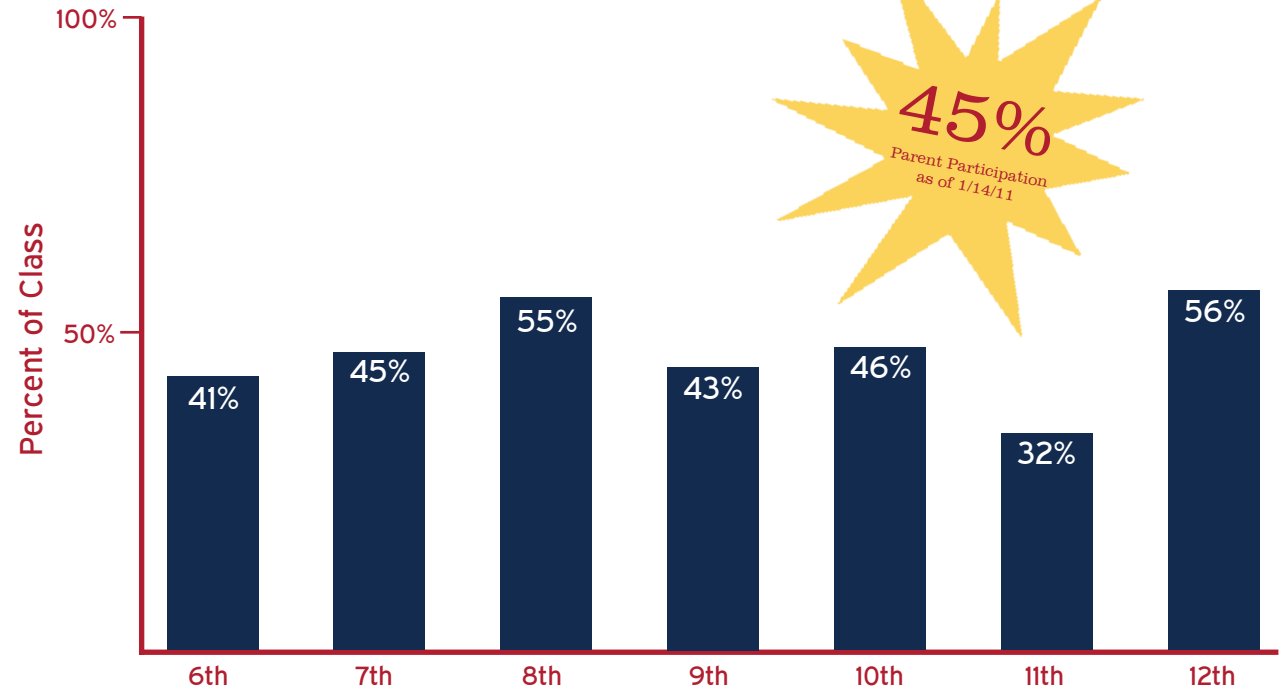

Last year's parent participation was 77%, but we hope to do better this year.

Help us reach at least **90% participation** -- the number needed to trigger the \$15,000 challenge grant -- by June 30, 2011.

Use the enclosed envelope, or give online at [www.bcdschool.org/give](http://www.bcdschool.org/give).

Parent volunteers will be calling you at the phonathan in early February.

We're counting on you to help us reach our goal.
